Session Descriptions

UC Panel

The University of California (UC) system includes more than 280,000 students and more than 227,000 faculty and staff, with 2.0 million alumni living and working around the world. Hear from our undergraduate campuses, what makes them special, and why they are routinely ranked among the best in the world.

UC Panel Q&A

This session will provide an opportunity to connect with UC representatives by having them answer commonly asked questions.

UCLA College and Specialty Schools

Attendees will learn more about the various schools housed within UCLA. At the end of each presentation, participants will have the opportunity to ask questions.

Financing Your Education

Worried about the cost of obtaining a UC degree? The University of California's financial aid program supports students from all backgrounds in a multitude of ways! From grants, scholarships, low-interest loans, and more. Join us to learn more!

UCLA Housing

Join this session to discover the wide range of housing options available to transfer students. Learn about "the Hill", the University Village, and other on and off-campus options.

Maximizing Your Transfer Experience

Picture this: You've transferred to UCLA and you're wondering how you can make the most of your time here while building meaningful connections. Join the *Transfer Student Center* and *Career Center* as they introduce you to the vast resources available to you as a Transfer student.

Building Bridges

Join us to learn more about how the *Center for Community College Partnerships (CCCCP)* and the *Academic Advancement Program (AAP)* at large can help you navigate the transfer process. From learning about support services available at your current campus, to UCLA's New Student Programs, this session will show you what transfer resources and programs are available to help you during the application process and as a newly admitted student.

Creating Community

Building a sense of community is a key factor in being a successful transfer student. We welcome you to hear from student representatives from both the *Transfer Leadership Coalition (TLC)* and the *Undergraduate Student Association Council (USAC)*. They will discuss opportunities to become involved as a transfer student at UCLA in order to build that support system.

Student Panel

Interested in hearing from current UCLA students? This is an opportunity for conference attendees to interact with students. These amazing students will discuss their experiences in transferring to UCLA, providing valuable insight into the challenges and successes inherent to the transfer process.
